

NTHMP Mapping and Modeling (M&M) Subcommittee Membership List January 2010

The M&M Subcommittee is comprised of 12 members representing the regions of the NTHMP Coordinating Committee and two NOAA representatives, one from a TWC. The subcommittee will have two chairs drawn from the body of the M&M Subcommittee, serving for two years. One chair will be from NOAA. To ensure continuity of effort, rotation of Chairs is off-set by one year. State membership is the Scientific Member from each of the NTHMP regions of the Coordinating Committee: (AK, CA, Atlantic / East Coast States, Gulf Coast States, Hawaii, Pacific Islands, Puerto Rico, Oregon, the U.S. Virgin Islands, and Washington).
